

In re Appln. of Humphris et al.
Application No. Unassigned
(U.S. National Phase of PCT/GB2004/003065)

Remarks

The specification was amended to insert priority information. The Abstract was amended to remove reference numbers. The claims were amended to remove multiple dependencies and reference numbers and to be more in accordance with U.S. patent practice. No new matter was added by way of these amendments.

The application is considered in good and proper form for allowance, and the Examiner is respectfully requested to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
